**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are sick and tired of the anti-competitive practices that big companies such as AT&T are doing to limit choice for internet in our communities. Please do not allow them to use the FCC as a tool to carry out such things. We will not pay for higher internet prices when in this day and age the Free internet is critical to a working society.
